

Gathering Table 2025 SUPPORT LETTER

We are excited about both new and old things planned for this year!

2025 marks the fifth year of doing Pop-Up Dinners in our community. The dinners are currently the backbone of the Gathering Table ministry. The heart of these dinners is to bring people together who are different from one another around a common table where life stories are shared and empathy grows.

New this year, we will be launching our 9-month Bee Keeping Apprenticeship program, as an opportunity for two apprentices to experience the joys of farm life while discovering answers to important life questions.

Keep reading to hear about the Collective 103 Shop and the Bee Hives.

There are two ways you can support Gathering Table financially this year:

- 1) Collective Spot 2025
- 2) Adopt a Hive

Collective Spot 2025

Gathering Table has a year-round spot at the Collective 103 shop in Old Town Clovis. This has been a tremendous opportunity to invite people to the Pop-Up Dinners and to sell Spoon Rings and Raw Honey to fund those dinners. We are raising \$1,800 this year to cover the rent fee, so that all the proceeds from the shop go directly toward the dinners. Click [HERE](#) to give toward this campaign!

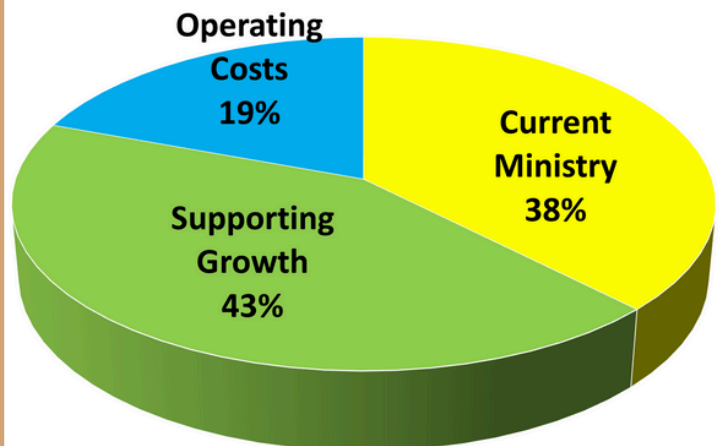

Adopt a Hive

As a fun way of supporting Gathering Table, you can "Adopt a Hive" for 2025. There are 20 Bee Hives available. Sponsorships are \$10/month for a half hive, or \$20/month for a full hive. Click [HERE](#) to adopt a hive today!

The total 2025 budget is \$9,300 and includes operating costs, current ministry (pop-up dinners and apprenticeships) and supporting growth, such as purchasing a larger honey harvester, new front tires for the flat bed truck used for Gathering Table, and expanding from 12 to 20 bee hives.
